Heidi Orville

Heidi & Orville Thompson

The Thompson Family

IT STARTED WITH A FRAGRANCE ...

Banana Nut Bread, to be precise, melted in a decorative ceramic warmer by the heat of a single light bulb. It filled the Thompson home with the scent of ripe bananas, nuts, and spices, together with the stories and laughter that come with reminiscing.

Heidi and Orville Thompson knew they had something special; something that could bless the lives of others and bring value to the world — something worth an investment of their resources, their time, and their passion. What could they do but leap in wholeheartedly?

Today, nine years later, passionate micro-entrepreneurs join the Thompsons in sharing the Scentsy experience and the Scentsy difference throughout Europe, United States, Puerto Rico, Guam, Canada, Mexico, and Australia. What began as a simple idea — with a delicious fragrance — has become a rewarding opportunity for all who choose to embrace it.

THE SCENTSY MISSION

To bring value to the world by providing an industry-leading, family-friendly business opportunity selling creative, artistic, high-quality products that

Warm the Heart, Enliven the Senses, and Inspire the Soul.

A SIMPLE SYSTEM

In Europe, Scentsy Warmers use a heating element to slowly melt specially formulated wax, enhancing your home with more than 80 Scentsy fragrances safely, with no flame, smoke, or soot.

- 1 Plug the Warmer Cord into your warmer.

- 2 Place the dish on your warmer, plug it into the wall outlet, turn it on, and place one or more sections of a Scentsy Bar into the warmer dish.

- 3 Enjoy!

To change wax in your Premium and Deluxe Scentsy Warmers, pour completely melted wax into its original packaging, then clean the dish with a paper towel. If the wax is still fragrant, store the used bar in a cool place until you're ready to reuse it.
